

YES Club starts solar project

May 14, 2015

NEWARK – The Licking County Solar Cooperative of the Concerned Citizens for Public Health and Environment is working with Mental Health America of Licking County Youth Engaged in Service Club to raise funds for a solar installation on the YES Club roof.

A community kick-off event will be from 4:30 to 6 p.m. Friday at the club house, 100 E. Church St. Learn more about the project, donate through a bake sale and tour the facility.

To donate to the project, go to www.thelcfoundation.org or mail checks payable to the Licking County Foundation with Yes for Solar on the memo line to Licking County Foundation, P.O. Box 4212.
