

# LICKING COUNTY FOUNDATION

## 2025 Grant Priority Areas

**Arts and Culture:** *Strengthening and sustaining arts and culture across Licking County.*

**Children and Youth:** *Supporting quality services focused on helping children and youth live up to their fullest potential.*

**Infrastructure Growth:** *Promoting infrastructure improvement throughout Licking County.*

**Education:** *Supporting affordable, high-quality education and career attainment opportunities in Licking County.*

**Emergency Response and Critical Assistance:** *Leveraging resources to provide support in emergencies and promoting disaster preparedness.*

**Environmental Development and Protection:** *Promoting, maintaining, and conserving the environmental resources and ensuring greenspace is preserved and protected in Licking County.*

**Health:** *Ensuring access to quality, affordable mental, behavioral, and physical healthcare for all with an emphasis on individuals who are uninsured, underserved, or income constrained.*

**Housing:** *Addressing the root causes of homelessness and housing instability by increasing access to emergency shelter services and supporting the development of affordable housing.*

**Older Adults:** *Supporting and enhancing the quality of life of older adults across Licking County.*

**Supportive Communities:** *Ensuring safe, livable communities by addressing violence, advocating for animal welfare, providing access to food, and creating a more equitable, tolerant, and inclusive community steeped in diversity, justice, and action.*
